Kris,

Your hair is like
that of gold. Sparkling

grass. Your teeth like
China! White as the snow!
Your cheek are as soft
and smooth as a baby's
butt! Your feet are like
Your legs are like King Kongs.
Big and hairy! Your chest looks
like a bee hive, little bumps
all over the place and last
but not least your nose!
It reminds me of the alpine

Hang in there, someday
you'll make it!!

Love ya' lots,

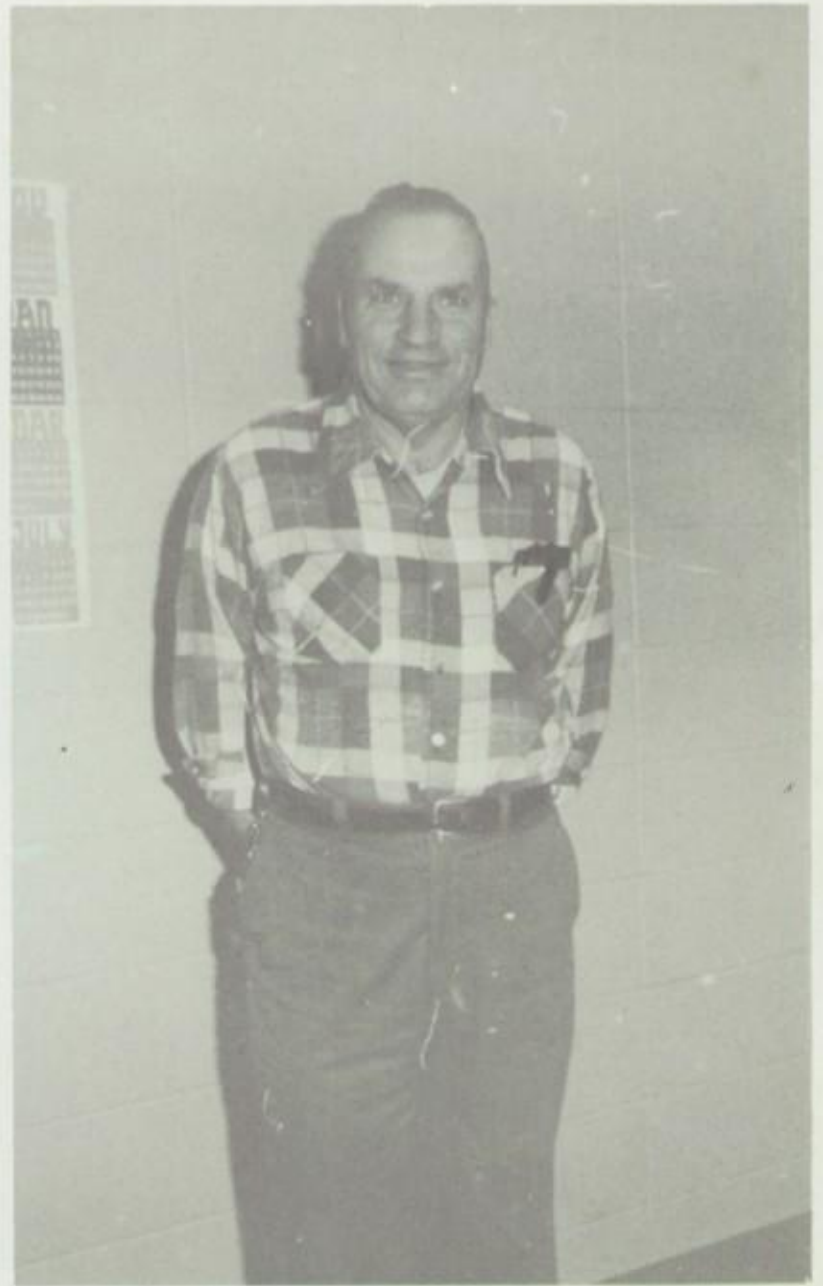

"DANA"

UNDERCLASSMEN

JUNIORS

Juniors Have an Active Year

The class of '82 has a lot to accomplish this year. Deciding on class rings, raising money for Prom, and finally starting to decide what they want to do with your life after school.

Now don't get me wrong, NONE of these tasks are easy. Add to them your PSAT test, American Lit., Advanced Algebra, etc.... Being a junior is tough stuff!

SOPHOMORES

Sophomores Have Great (?) Memories

The sophomores have made it one step higher since their big freshmen year when they were at the bottom. They now realize that they have more responsibilities, and are looked up to more in the school. The class of '83 has been active in many different sports and clubs throughout the year, which holds a promising future for the school in the next couple of years.

When asked what he liked best about being a sophomore, one student answered, "The best thing is NOT being a freshman!"

NINTH

Freshmen Discover New Beginnings

Our first year of high school was like that of discovery. We discovered that if you ask for trouble from an upper-classman, you usually get it. If you have read your assignment, you don't have a quiz, but when you're not ready for a quiz, you'll surely have one. But most of all, we learned that in order to excel, you must put forth an effort.

Whatever our discoveries may have been and whatever mistakes we made at our first attempts, "We've only just begun."

This year's cheerleaders were really involved in producing school spirit. It's not easy standing out on the field freezing to death with your hair and clothes drenched. This is dedication!

We'd like to thank the girl's for pepping everyone up when they are down, and giving us moral support when it is needed.

Hopefully the future will bring another group of cheerleaders just like these.

PEQUOT FOOTBALL 1980

This year the Pequot Lakes football team did an outstanding job, finishing third in conference. It's the first time for a while that we've been up there, and we're very proud of the success the guys have made of the season.

The first couple games of the season didn't go too terribly well, but after that things started looking up for the Indians. They won the big Blackduck game, then went on to slaughter Pine River for homecoming, for the first time in twenty-two years.

All in all, the season was a great one. We're proud of all you guys for giving it your best, and to the endless array of fans.....THANKS!!!!!!!!!!!!

HOMECOMING WEEK

Homecoming week lasted from September 29 to October 4. The activities started off on Monday with Hat Day.

Tuesday was dress-up day, an event in which almost everyone in the school participated.

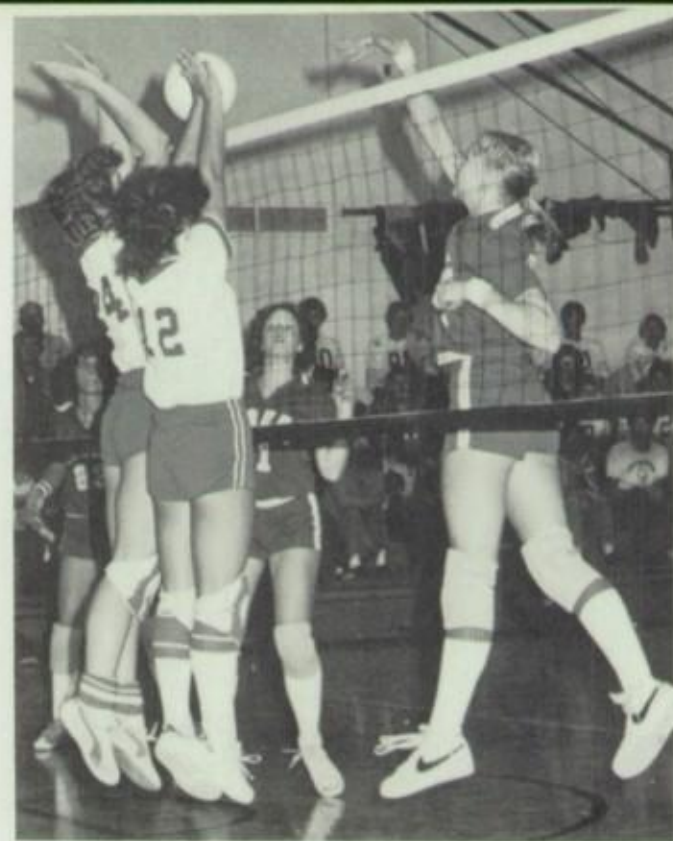

Wednesday was Backwards Day. All clothes were to be worn backwards on this day.

Thursday was Jersey Day and the day of the Powder Puff game between the junior girls and the senior girls. The game ended in a tie at 6-6. The game went into a triple overtime before the weather prevented the teams from going into a fourth overtime.

Friday was coronation, the parade, and the football game against the Pine River Tigers. Kari Hardy and Mike Clasen were crowned the 1980 Royalty. The court consisted of Julie Ayd, Sally Williams, Holly Sergent, Sherri Skogland, Mike Christienson, Stu Sabyan, Chris Greer, and Bill Monroe.

The football game was the highlite of the whole week. It was tied 0-0 until overtime when the Indians scored and then held the Tigers. Final score was 6-0, in favor of Pequot. This was the first time in 22 years that Pequot Lakes defeated Pine River.

Saturday night was the Homecoming dance. Hoyt Klagwell provided the music.

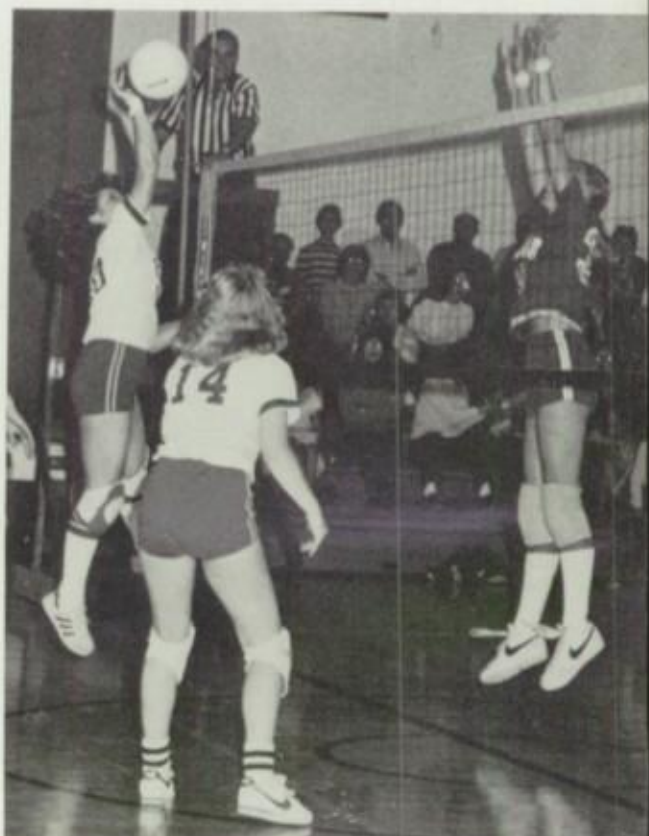

Kris,
I am sure glad
you came out for
track this year. I en-
joyed having you as a team
member. Next year things will
improve. Have a
super summer.

PEQUOT LAKES VOLLEYBALL

The volleyball team once again proved to have a very successful season with an outstanding record of 11-4.

Winning has become a tradition for the team members for the last six years.

For the second time, Coach Judy Heslop's players were once again recipients of a Number 2 rating in District 24.

Pequot Lakes High School has every right to be proud of having such a sensational group of players as the VOLLEYBALL TEAM!

SENIOR CHOIR

Under the supervision of a new director, Ms. Sandy Brown, the choir has been quite a success this year. They have participated in a number of concerts and contests, singing quite a variety of styles of music. Some choreography has also been included in these numbers, which is a fairly new development this year. In the future it would be nice to have a few guys participating, but in the meantime, the girls have done a pretty good job.

German Club

Officers: Nancy Allen, Mike Schwieters
 Lesley Boozell, Jenny Brine

German Club had 70 members this year. The main activities for this year included the annual magazine sale, participation in the ISE trip to Germany, and Lager Waldsee - a German Language Camp near Bemidji. The club also sold Advent calendars at Christmas and attended a German dinner at Val Chatel.

AFS

The AFS Club was really active this year. There were three AFS students: Edda Njalsdottir from Iceland, Alfredo Florez from Spain, and Franck Duprez from France. Jenny Brine was chosen to be an AFS Student to a foreign country for ten weeks in the summer of '81. The club had a Short-Term Exchange with another school, and also an AFS International weekend with foreign students from other schools.

Pep Club

PEQUOT PEP CLUB

The first pep fest looked so bad that students decided to get people together and fire up our school. This resulted in the Pep Club.

Some of the activities of the Pep Club were painting windows for Homecoming, a bake sale, spook insurance on Halloween, guardian angels, and a Rock-a-thon.

Determined to get more school spirit into Pequonians, they attended most games and SCREAMED their lungs out.

Supporting our school, this is what we're all about!!!

A special thanks to Lisa, Shawn, and Tammy for working so hard on the ads. Kim, Jill, and Robyn were real life-savers in the end; they also spent much of their time during the year. Most of all, thanks should go to Holly. The countless hours she spent working and agonizing on this project will only be appreciated in the final product. Thank you Holly!!

Chris,
to a really great
friend! Weir had
some really "great"
times together. The
one I remember
best is the water fight
at your house, that was
a blast! I'll always
remember the great times
we had in Poyers
room with the water
faucets, water ticks, and
the "wet"
time was not get-
ting our worksheets
done the day there due
in class. Basketball
cheerleading was
a total blast. I hope
next year we all
make it again, then
we'll have twice as
much fun, cuz we

will know what
we are doing then!
Track was real fun
to except next year
we'll try to win a
little but more. I'm
sure we will! We
better! How come
you do damn
highly? It's probably
because you hang
out around Tim. He
much and the looks
wean off on you. You
know I'm just
kidding!! When we
take like a plan?
Daria
advanced algebra when
we're try funnier, we
have to give Mrs. Monical
a hand. Tim like we did
this year! That has to be
the most fun class!
we have to get some
near classy jokes!! We
have to get together
this summer. We
should get a big party
going some where. I hope
you and T.J. last through
the summer, cuz I
know you really "love"
him! Tobad I don't
have somebody to be
with!! Forgive when
you come over we
are going to go to
the white fish guy
and play a
few rounds! Sound
like a plan? Daria
will have to
"come" along!! ha!

sick of you like somebody I know!!
You're the kind you can't ever get sick
of! Sorry if this is messy, but I can't
really help it! This summer is going
to be a riot! Jon, Jim, you, and I are
going to have to see a lot of each other!
I'll never forget all the wacky, weird
times we had together! There's been quite
a few! Like Drive-In's, and dances just ^{(Jen's} basement)
to name a couple! You are by far the
one person I can trust with any little
secret! I can tell you stuff without
having to worry about it goin' 'round
the world! Well, what else is there
to say except, you're beautiful, sexy
gorgeous, busted, (Ha, Ha)! Oh, I love
you little, I love you big, I love
you like a little pig! That's my
Grandma's! cute?

Graduation Goodbyes

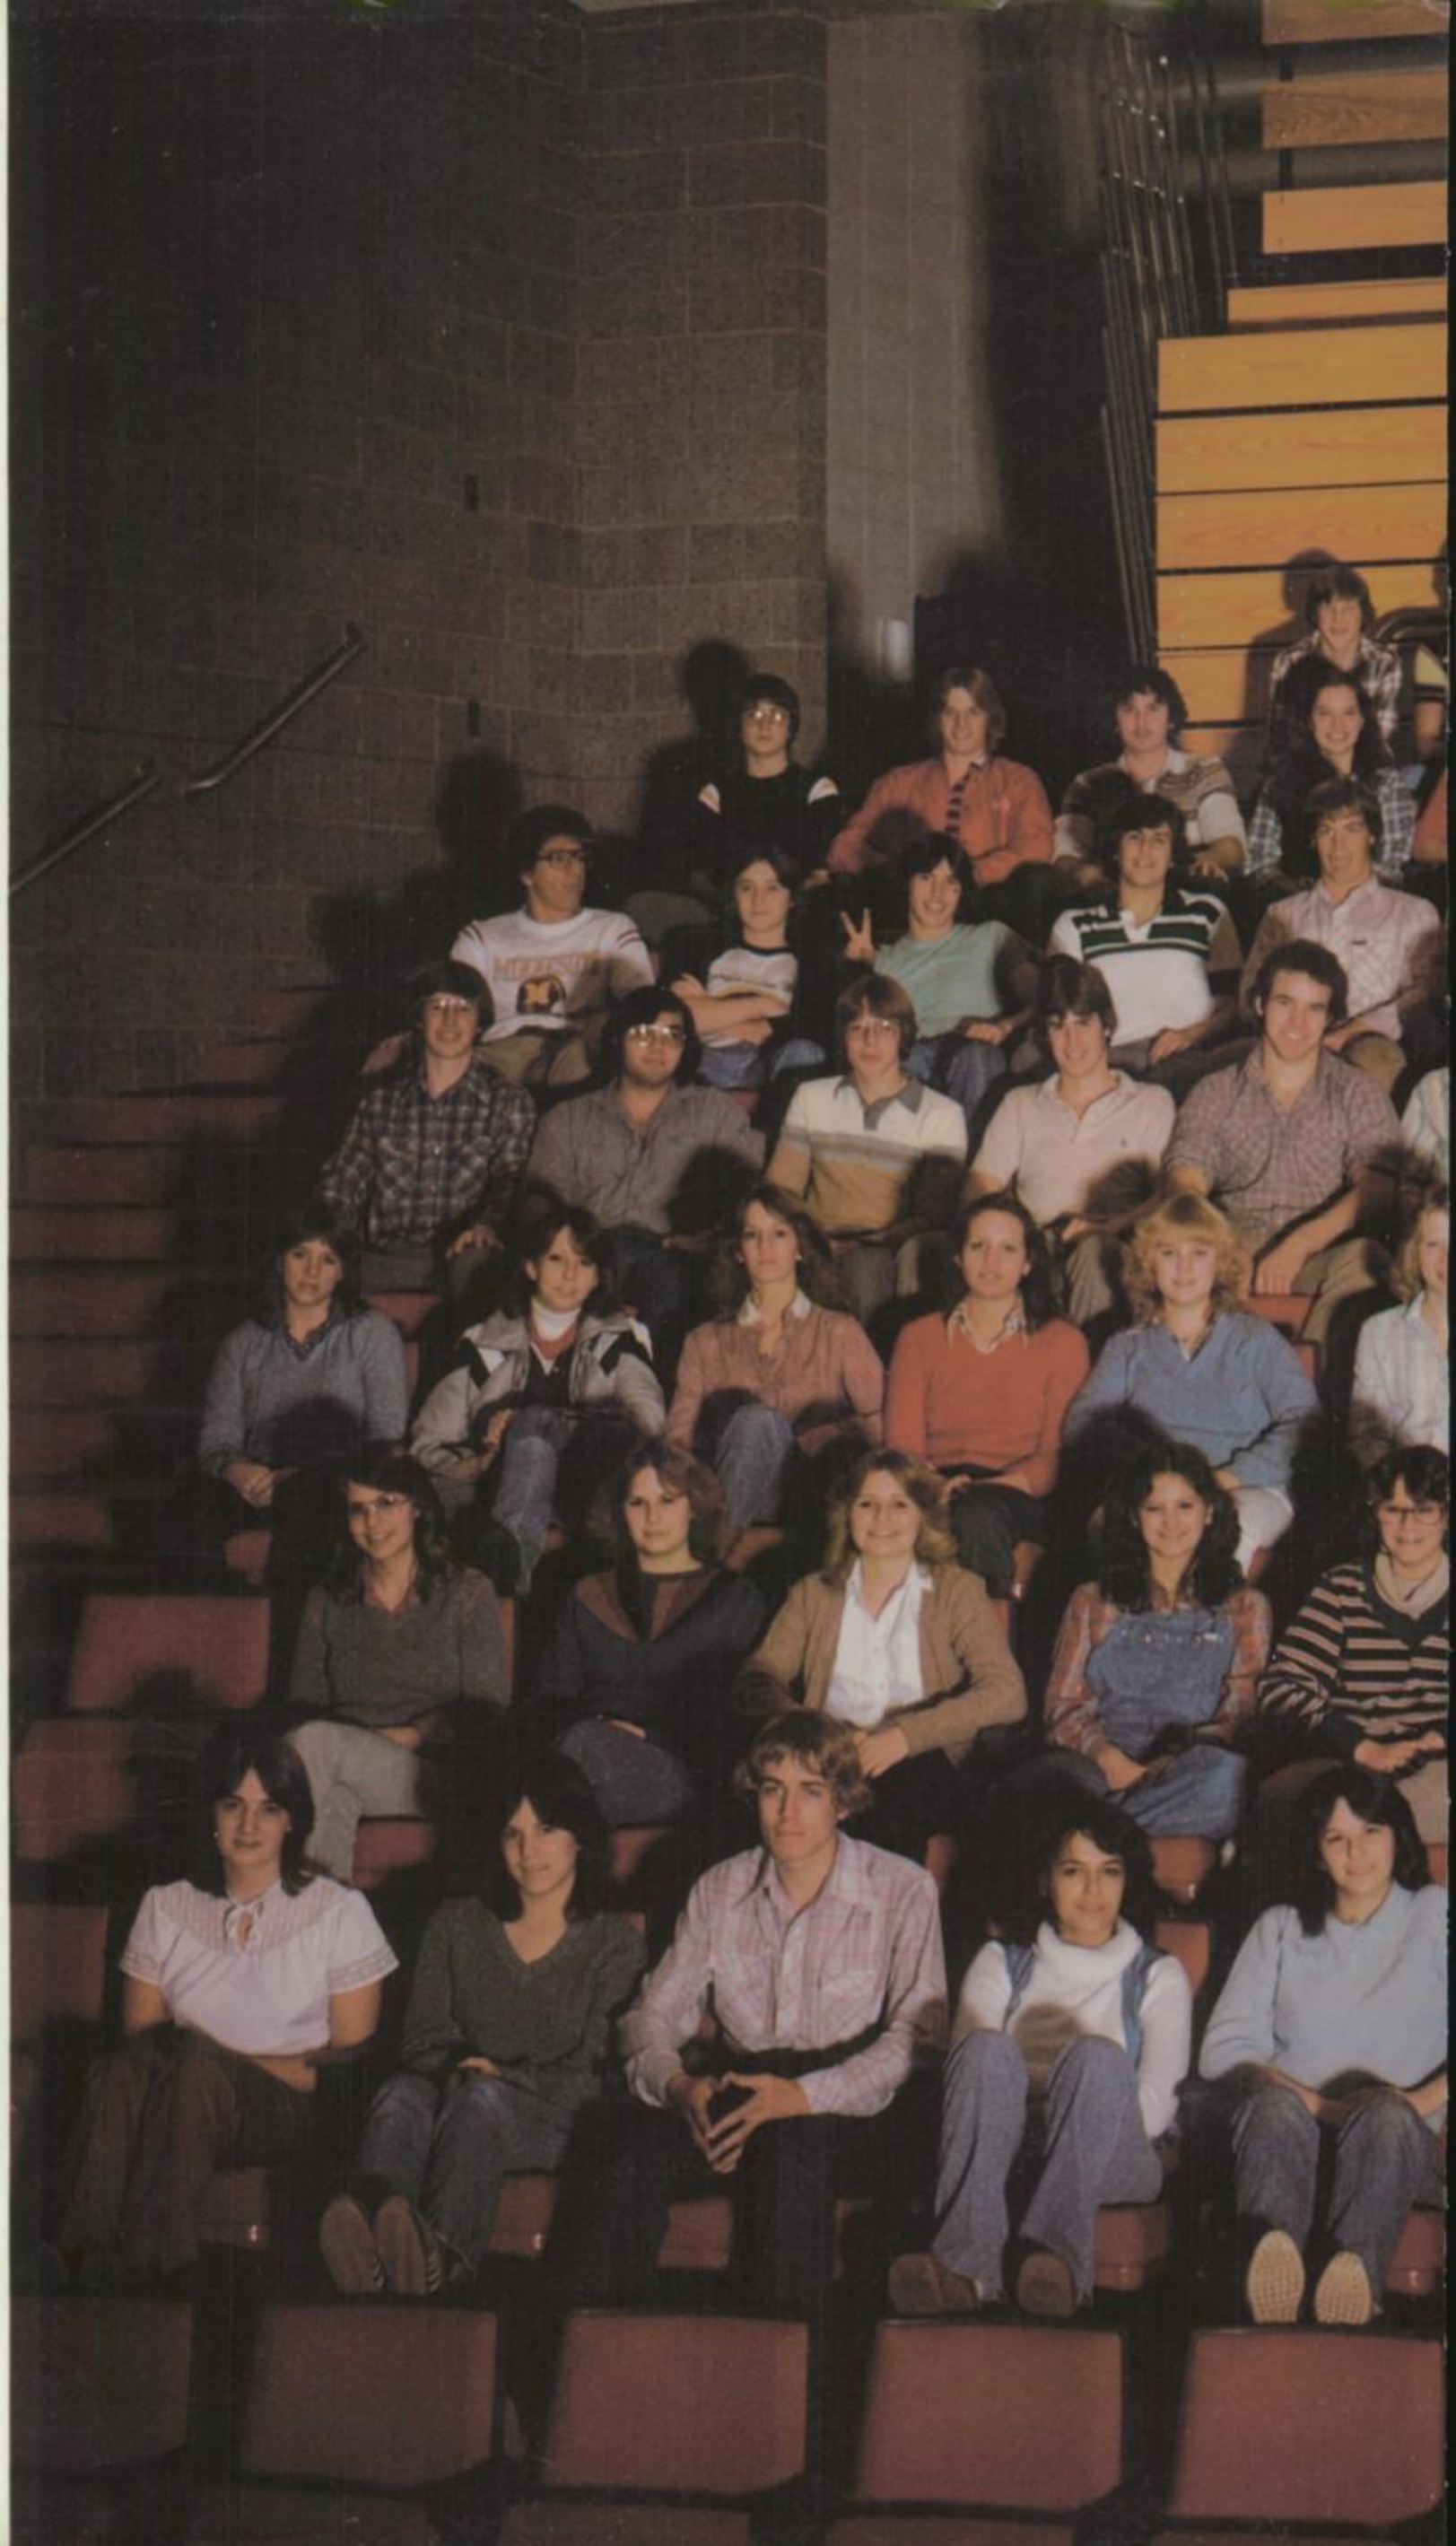

Think about our many memories, the past that we
have shared.

And as we remember the good times gone,
leaving brings a little more pain.

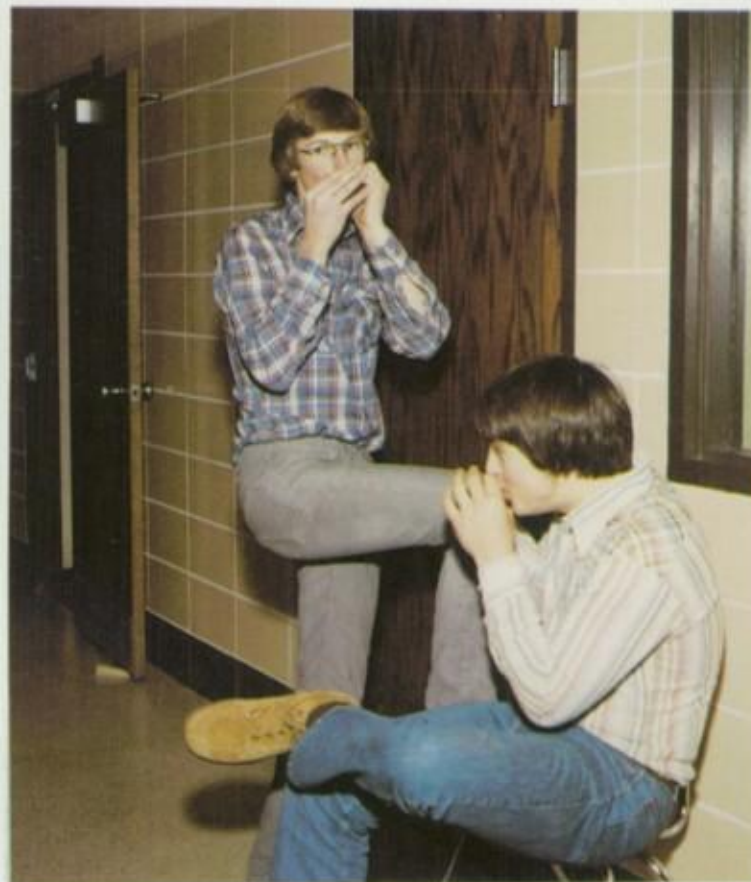

Graduation means so many things:
old times come to an end;
we learn to face new challenges,
knowing that yesterday is only a memory away.

Remember not so long ago, it seemed to us,
 our day would never arrive.
 Now that we've all changed and grown to realize,
 it's time to begin our own lives.
 Though it's hard to say goodbye, and leaving
 will mean a change;
 If we can hold on to what we had,
 Soon we'll find the best is yet to be.
